

Vans / Trailers / Rack Sale List

VANS

1998 Chevy Express

Mileage: 140,000
Color: Teal (pictured with utility rack & kayaks on next page)
VIN: 1GAHG39R21101098
Style: Chevy Bus/Van with 4th seat - 15 passenger – extended cab
Doors: 3 + rear
Engine: L31;5.7L Gasoline V8 - 1 ton
Drive type: 4x2
Extras: Tow Package, CD Player, carpet, air conditioning, electric windows
Brake system: Hydraulic
Multiple Fuel Injection (MPFI)

Assessment: Multiple exterior scratches (body painted over). Some wear and tear to seats. Engine in good condition. Only driven during summer months for the last 10 years. Overall a good vehicle but has been worked rigorously over the years. Excellent maintenance.

Minimum Price: \$3,500

2007 Chevy Express G-3500

Mileage: 120,000
Color: White
VIN: 1GAHG39U561228451
Style: Chevy Bus/Van with 4th seat – 15 passenger - extended cab
Doors: 3 + rear
Engine: LQ4; 6.0L; Gasoline V8 – 1 ton
Drive type: 4x2
Extras: Tow Package, CD Player, air conditioning, electric windows
Brake System: Hydraulic
Multipoint Fuel Injection (MPFI)

Assessment: Some wear and tear to interior. Engine in excellent condition. Only driven during summer months for the last 8 years. This vehicle is in very good condition. There is a ding where a rack ladder was attached to the rear door. One side door is not totally free swinging; the hinge may be partially jammed. Excellent maintenance. Very dependable vehicle.

Minimum Price: \$8,500

KAYAK TRAILERS

2 Magneta (brand) Trailers

- Trailers have 8 stations: 1-3 kayaks per station depending on kayak size
- Customized gear boxes and welded walking stations all around the trailer for safety.
- Welding was added to beef up the entire frame which standard Magneta trailers need.
- All stations are padded out to protect the boats from road damage.
- Plastic fenders were switched out to metal fenders on one trailer.
- Tires (2) & spare tire (1) included
- All wiring and lights are maintained and in good order.

Minimum Price: \$2,195 each

1 Commercial Trailer (SOLD)

- Has 8 stations: 1-3 kayaks per station depending on kayak size
- Extra heavy duty – it was previously used to haul vehicles vs kayaks
- Customized gearbox and walking stations all around.
- Tires are car size (2) and spare (1)
- All wiring and lights are maintained and in good order.

Minimum Price: \$1,195

Weather Guard Heavy Duty Utility Van Rack

with custom wood flooring installed across entire rack (not shown in left-hand picture)

Price: \$399
